Key Projects & Research Papers

Financial Management Analysis: Raymond Lifestyle Ltd

September, 2025

- Analyzed financial performance using key ratios and metrics.
- Evaluated capital structure and industry cost of capital.
- Assessed working capital management for efficiency gains.
- Reviewed post-demerger strategy and retail expansion impact.

Maven Analytics Music Challenge

January, 2025

- **Tools used for analysis:** Excel, Tableau
- Analyzed over 150,000 Spotify user entries to derive insights similar to a personalized Spotify Wrapped.
- Identified top artists, most streamed songs, favorite listening hours, and trending albums.
- Cleaned and transformed the dataset using Excel; designed two interactive Tableau dashboards to showcase findings.
